Sleep lit- tle boy It's safe and warm Wrapped up in your

moth-ers arms Stars look down from up a- bove All who see you

15

show their love Sleep lit- tle boy It's safe and warm Wrapped up

in your moth-ers arms

25

Warm and helpless so he seems Who knows

what this bab- by dreams

30

When he grows what will he do

35

What great things for me and you Sleep lit- tle boy No need to

40

fear All who love you hold you near Small and help- less

45

Sleep lit- tle boy it's

50

warm and dry Go to sleep Close your eyes Don't dry

55

so he seems Who knows what this ba- by dreams When he

60

now tears will come aft- er Sleep and when you wake hear laugh- ter

grows what will he do What great things for me and you

65
